

Subject: Request for Reconsideration of Autonomy Application

Dear Sir/Madam,

We, the faculty and administration of Satya Institute of Technology and Management, Vizianagaram, Andhra Pradesh, wish to humbly request your reconsideration regarding our institution's autonomy application.

Our college was NAAC accredited on 7th January 2020, with validity up to 8th January 2025. As per the guidelines, we submitted our application for autonomy on 18th January 2024. Unfortunately, our application was rejected due to a delay of 10 days beyond the stipulated NAAC validity period.

However, with the recent announcement of reforms in the NAAC accreditation process, which extend the validity of existing accreditations until the new system is implemented, our institution now remains NAAC-accredited under this extension. In light of this, we kindly request UGC to consider our autonomy application based on the current extension of our accreditation.

We are committed to upholding academic and administrative excellence and fulfilling all criteria required for autonomy. We sincerely request your kind intervention to allow our application to proceed and grant us an opportunity to further contribute to the higher education landscape.

Warm regards,

Dr. D.V. Ramamurthy

Principal

Satya Institute of Technology and Management
