Criterion VI-Governance, Leadership, and Management

Qualitative Metrics

6.1.1 The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the institution.

The vision and mission of the institution are:

Vision

To evolve into and sustain as a Centre of Excellence in Technological Education and Research with a holistic approach.

Mission

To produce high quality engineering graduates with the requisite theoretical and practical knowledge and social awareness to be able to contribute effectively to the progress of the society through their chosen field of endeavor.

The nature of governance

The Governing Body (GB) is the highest body that monitors the progress of the college and suggests activities for the growth and overall development of the institution. The Governing Body (GB) of the institute has been constituted as per the AICTE norms, New Delhi, India. The main objective of the GB is to offer transparent and effective governance in building and developing the institution. The key responsibility of the GB is to develop and implement the mission, vision, quality policy, and strategic plan of the institution. The short term and long term goals are reviewed periodically if necessary, revised strategies are implemented. The GB, through the Director and the Principal, monitors parameters such as teaching-learning process, good academic and administrative practices, benchmarking, and risk so as to meet the interests of stakeholders.

As per the directives of the GB, the director, the Principal, and the Heads of the departments set the short-term and long-term goals. Their planning and implementation of the same is following in the
