18. Is Institute facilitate incentives for academic/ non-academic performance like University rank, college topper, sport achievement etc.

- 4 - Regularly
- 3 - Often
- 2 - Sometimes
- 1 - Rarely
- 0 - Never

19. IT and Infrastructure of the Institute is good for student's overall development

- 4 - Excellent
- 3 - Very good
- 2 - Good
- 1 - Satisfactory
- 0 - Poor

20. Give three observations/suggestions to improve the overall teaching-learning experience in your institution. (Some Notable Suggestions)

Overall teaching and learning is good
No suggestions, teaching was excellent, as I expected, thank u....
Conducting intership and workshop in regular intervals may help the student to develop in industry ready manner.
Conduct internships and workshop it s help to students
Satisfactory
Provide some practical experience
Please be friendly in explaining
Library insufficient book Insufficient computers for lab
Encourage students to ask questions. Make teaching a two way interaction...
Improvement in lab facilities
No
Very good
Language should be in telugu
1. I suggest to motivate students to put 100% efforts on studies with active participation in all programs 2. spend some time on fundamental courses and prepare students for further competitive exams 3. Try to improve students positive skill through practically

Good
No
Good but need to improve interaction with students
Good faculty and every teacher is teaching very good
Excellent teaching for students
Very good Teaching, Need to be improve Wi-Fi connection
1)Improve the lab facilities for core branches 2)Provide Wi-Fi for students purpose of digital learning 3)special focus on backward students for helping to get a pass percentage
Projector classes are better
Projector classes are better
Increase ppt classes Very good teaching Better to improve labs
Good
The college is good Infrastructure is very nice Staff is also friendly and experienced But 1-need to improve lab equipment 2- need to conduct indoor games 3- need to increase books count in the library
1) Maximum teaching in projection class are very use full to everyone great improvement. 2) sports and culture activities are should improve not regularly .
Monthly conduct a seminar for defect in every branch and collage
1) Improve lab facilities for core branches. 2) Provide WiFi for Students for digital learning. 3) Improve the quality of Teaching. And Tell them to show partiality among Regulars And Lateral entries. 4) Give permission to students for attending internship in College Timings too. 5) Please focus On Slow learners to improve them and To get maximum pass percentage for the department or Institute.
I think lecturers should collaborate with students
1.providing sports hours weekly twice 2.some times explaining in telugu
1.concetrate on every student 2.encourage them in thier intrested fields 3.teach them in a practical way
Teaching lessons with real time examples is needed. Should give awareness of latest technology, training. Group discussion are needed for students to get to know about their communication skills and learning skills.
1. Good internet facility 2. Provide audio- visual classes 3. Project related resources
1.provide good internet facilities to students. 2. Project related resources.

3.audio visual classes.
Provide students with good Internet facility Provide Visual classes Provide project related resources
Provide good internet facility audio, visual classes Provide Project related resources
Provide project related components reasources
I think teachers teach in a story waythen everyone got the point
Provide good internet facility. Provide audio visual classes. Provide project related resources.
Provide Project related components, Resources.
Teaching all classes using PPTs and Implementation of smart classes may help students to understand the concepts easily
Provide project related resources Provide WiFi connectivity
1. Need to provide more knowledge about skills in upcoming job feilds 2.More seminars and workshops should be conducted on overall skill development of students 3.sports meets can be conducted..
Butter to increase sports hours and library hours to preform physical activities and self studying
Good teaching Supported faculty Conducting webinars
Good teaching Supported faculty Conducting webinars
Good teaching and supported faculty and friendly teaching
Need practical knowledge than book knowledge
Library improvements Develop teaching Provide complete lab facilities
1. Concentrate on students pass percentage in class 2.Have to complete syllabus in time 3.There should be some time gap for mid exams
1: Please provide us a knowledge about the present company needs and make us service-ready. 2: Rest of all is well and good , our institute and faculty gives their levels. 3: Request to make students more competitive through appreciation for academics and achievements. 4:Interactive tips from recruited seniors will be grateful.
Excellent teaching
Wi-Fi
Staff is to good but there is no sufficient
Wifi connection available, cultural activities are done and awareness of NCC and NSS activities are done excellent
Improve washroom
