--------------	--

Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties, and responsibilities of citizens India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities all these sections of citizens are governed and guided by the Constitution irrespective of caste, religion, race sex. In Satya Institute of Technology and Management the students and the employees of the institution are sensitized to the constitutional obligations about values, rights, duties, and responsibilities of citizens which enables them to conduct as a responsible citizen. To equip students with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. These elements are inculcated in the value system of the college community. The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people.

The institute conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat, etc. involving students. The college establishes policies that reflect core values. The affiliating University curriculum is framed with mandatory courses such as Professional Ethics and Human Values, Constitution of India, Essence of Indian Traditional Knowledge, as a small step to inculcate constitutional obligations among the students. Major Initiative is to spread awareness regarding sanitation, living standards of life, and knowing one's personality. A separate NSS and NCC unit is started exclusively to encourage the students and the unit is successfully conducting activities to serve the society. Ethical Values, rights, duties, and responsibilities of citizens are some of the topics that are enlisted in Elocution, debates, and class presentation.
