4. General

- 4.1. Both parties will designate a representative from its side who will be the primary point of contact on behalf of that party.
- 4.2. Both parties shall not use the name of the other in any advertisement or make any public announcement without the prior written approval of the other.
- 4.3. Both parties will be regularly in touch with each other and explore setting up/development of related research projects in the college/industry.
- 4.4. Any dispute under this MOU will be settled in Vijayawada by mutual discussions.

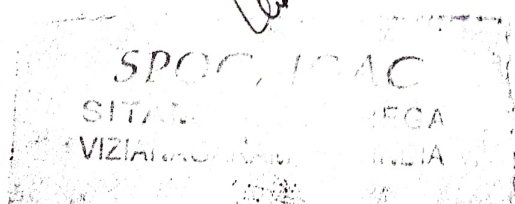

5. Purpose/Scope of the Collaboration :

The Key offerings from "Apsolut" to "SITAM" include:

- **Placements** - Apsolut will provide placements to the engineering students of SITAM if they meet the below criteria.
 - Very good communication skills
 - Willingness to learn
 - Career oriented
 - Long term Commitment
- **Global exposure** - Wide range of customer base of Apsolut group enables students to learn key elements in SAP procurement, thereby enhance into a true global consultant
- **New paradigm of culture** - Employee exchange in Apsolut group aids the students to adapt to universal culture know how and nurture into new edge technology
- **No pause growth** - Starting from training to project handling, students are allowed to learn & grow in all the procurement modules of SAP where they fit the expertise
- **Internship** - Apsolut will provide Project Internship to the final year engineering students of SITAM if they deserve. Post internship, a final screening will be conducted to ABSORB the deserving students.

The key areas in which "SITAM" can benefit "Apsolut"

- **Provide brilliance** - SITAM to share exceptionally talented & self-confident students
- **Apsolut vision sharing** - SITAM to do Apsolut branding within the Institution to motivate students to join us.
- **Pioneer in SAP** - SITAM will encourage and enhance the activities to developing SAP knowledge innovations and technologies to the students thereby Apsolut to absorb the right talent.

students and faculty contributions, SITAM has endeared itself to all its stakeholders. Competent faculty and excellent infrastructure are the hallmarks of the Civil, Mechanical, and Electrical and Electronics Engineering, Computer Science Engineering Departments are surging ahead with learning and training as the prime development initiatives in all the domains of relevant Engineering. Recently, SITAM initiated programs of Vocational courses in Electrical Equipment Maintenance, Automotive Servicing, Mobile Communications, and Refrigeration Air Conditioning along with a Masters program in Business Administration. With many feathers in its cap such as NAAC accreditation, Permanent Affiliation from JNTUK, and IIC (Institute Innovation Cell) from Union Ministry of Education, SITAM is soaring to new heights in the field of education and research.

About SeeraSoft

SeeraSoft is an IT services company serving its esteemed customers across the globe in varied and cutting edge technologies, helping its esteemed clients achieve their business goals. SeeraSoft founded in the year 2016 is now a trusted and preferred partner for many customers for their IT needs.

SeeraSoft, has been striving to extract the budding talent from all the rural/tier two areas, where the required IT Infrastructure/knowledge support is predominantly lower. SeeraSoft has initiated an exclusive Career Building Program specially to enhance the skill-set of the budding talent called **JobEQUIP**.

The main aim of **JobEQUIP** is to provide absolute training to the desired candidates who wish to settle their careers in the IT industry. This JobEQUIP program shall be useful for the students right from 3-1 of the engineering from any streams.

We help students succeed

- In aptitude tests for both career progression and higher education.
- By leveraging technology.
- By providing personalized, analytics-driven, engaging and effective learning solutions

Our Unique Learning Methodology

To help student identify his/her Knowledge Gaps through continuous evaluation and address them through

- Interactive learning exercises
- Analytics driven feedback
- Peer-interaction based social learning

2. OBJECTIVE

The Core objective is to establish a long-term linkage between CONDUIRA and SITAM to enhance skills in various placement activities. SITAM stands to gain by way of receiving most efficient career counselling and placement assistance. CONDUIRA stands to gain by way of increased visibility in the two districts of Vizianagaram and Srikakulam and also Conduira can derive from the teaching expertise available in SITAM.

SCOPE

- Training students for job readiness
- Building the confidence levels of students
- Making the students aware of interview etiquettes
- Improving employability by inducing training related to specialized areas

3. GENERAL

This MOU shall be in force upon signature by both Parties and remains in force, unless terminated earlier by either Party upon ninety (90) days, written notice to the other Party.

4. MONITORING AND IMPLEMENTATION

Coordination Committee consisting of The Heads of the Departments, one senior faculty member of Department of Civil, Mechanical, and Electrical and Electronics Engineering at SITAM and an officer nominated by the CONDUIRA will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and in furtherance of the activities covered under the MoU.

Specific service agreements need to be signed and agreed upon to achieve specific training needs as required by SITAM.

5. SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version of the Agreement.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

CENTRE OF EXCELLENCE IN MARITIME & SHIP BUILDING, Visakhapatnam

AND

SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT, Vizianagaram

This Memorandum of Understanding (hereinafter referred to as "**MoU**") is entered into this agreement on this day Wednesday, May 1, 2019 by and between

CENTRE OF EXCELLENCE IN MARITIME & SHIPBUILDING (hereinafter referred to as "**CEMS**"), located at NSDRC, Gandhigram, Visakhapatnam – 530 005, India is a well funded startup in skill development for maritime and the ship building sector. It is promoted by Indian Register of Shipping in partnership with Siemens and support from Sagarmala, Ministry of Shipping/ Government of India with an aim to provide globally relevant skilled technical manpower in the latest manufacturing technologies for ship building/repair and high end manufacturing sectors.

CEMS is a dedicated centre for facilitating professional development and skill enhancement in maritime, infrastructure and manufacturing sectors. It is aimed to build competency in the field of maritime and industry by imparting right skills and create skilled manpower pool to cater to current and future industrial landscape of the country, thereby providing better employment opportunities to students and work force.

AND

SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter referred to as "**SITAM**") located at Gajularega, Vizianagaram which is a self-financing institute established by a non-profit making society, named Botcha Guru Naidu Memorial Educational Society, and recognized by AICTE with a vision to evolve into and sustain as a Centre of Excellence in Technological Education and Research with a holistic approach. The mission of **SITAM** is (i) to produce high quality engineering graduates with the requisite theoretical and practical knowledge and social awareness to be able to contribute effectively to the progress of the society through their chosen field of endeavour; (ii) to undertake Research & Development, and extension activities in the fields of Science and Engineering in areas of relevance for immediate application as well as for strengthening or establishing fundamental knowledge.

AND TOGETHER HEREAFTER REFERRED AS PARTIES

Whereas the first party **CEMS, Visakhapatnam**, will provide 50 courses across 18 specializations; covering 770 modules out of which 271 will be tools and algorithm based courses while 500 will be process and sector based.

And whereas the second party **SITAM, Visakhapatnam**, is an Educational Institution providing education in various U.G and P.G programmes including certificate courses in

Engineering. It has the vision and mission to impart quality education of International standards with a major focus on conducting skill development and outreach programmes.

The first party, namely **CEMS**, Visakhapatnam, has excellent infrastructure, qualified trainers and man power to impart skill training and to offer Diploma and Certificate courses as follows: -

a. Diploma in following courses

S.No.	Course Title
1	Diploma Course in Automation and Mechatronics
2	Diploma Course in CAD
3	Diploma Course in CAD (Specially designed for Science Graduates)
4	Diploma Course in CAE
5	Diploma Course in Digital Manufacturing
6	Diploma Course in NVH
7	Diploma Course in PLM
8	Diploma Course in Pneumatics and Hydraulics
9	Diploma Course in Robotics

b. Certificate Courses

S.No.	Course Title
1	Essentials for Designers
2	Sketching Fundamentals
3	Synchronous Modelling Fundamentals
4	NX Sheet Metal
5	Drafting Essentials
6	Intermediate Design & Assemblies
7	Advanced Assembly Design
8	Class A Free Form Modelling
9	NX CAM Manufacturing Fundamentals
10	NX CAM Turning Manufacturing Process
11	Engine Design

S.No.	Course Title
12(a)	Advanced Simulation- Advanced Simulation Process
(b)	Advanced Simulation-Advanced Simulation Solutions
13	TCUA - Using TC
14	TCUA - Installation
15	TCUA - Integration for NX users
16	TCUA- Application & Data Model Administration
17	Tecnomatix – Process
(a)	Process Designers Basic
(b)	Process Designers General Assemblies
18	Tecnomatix – RobCAD
(a)	Robcad Basics
(b)	Robcad Advanced Modelling and Kinematics
19	Tecnomatix – Flow
(a)	Factory CAD
(b)	Factory Flow
20	Vibration Measurements and Analysis
21	Modal Testing and Analysis
22	Acoustics Measurements and Analysis
23	Acoustics NVH Simulation
24	Advanced Finite Element Analysis (FEA)
25	Multi body dynamics
26	Nesting Productivity Improvement
27	Turning NC Programming
(a)	TURNING- Operating and Machining
28	Milling NC Programming
(a)	MILLING- Operating and Machining
29	840Dsl
30	Basics of PLC
31	Basics of HMI & NETWORKING
32	Basics of SCADA
33	Basics of Mechatronics
34	Welding
35	Industrial Robotics Basics-KUKA
36	Robotics Applications

S.No.	Course Title
(a)	Industrial Robot Application(KUKA)-Material Handling
(b)	Industrial Robot Appllication(KUKA)-MIG Welding
©	Industrial Robot Application(KUKA)-PLASMA Cutting
37	Basics of Process Instrumentation
38	SIMATIC PCS 7 Basics
39	Basics of AC/DC Drives
40	Basics of Low Voltage Switchgear-1
41	Basics of Power systems
42	Pneumatics
43	Hydraulics
44	Virtual Reality
45	Pumping System
46	Piping System
47	Radar systems
48	Laminate Composites
49	Dimensional Accuracy Control
50	Hull Design

Whereas the second party, **SITAM** has established all the curriculum related laboratories and has employed very highly qualified faculty to train the students both in theory and practice with the best administrative and academic management. **SITAM** has set best objectives to impart quality and high standard education. Internship and practical training are included in the curriculum as mandatory.

COMMITMENT OF THE FIRST PARTY, CEMS

- To train the students of B.Tech., M.Tech. and MCA for internship / project / dissertation for durations ranging from ONE month to 3 months (40 hours to 120 hours) charging Rs 7000/- + GST@18% per student for six weeks internship and Rs 14000/-+ GST@18% for 3 months diploma courses necessary for project / dissertation.
- To permit them to undergo practical training under the supervision of a person in charge.
- To permit them to get hands on training in the available equipment.
- To train the Faculty of **SITAM** at a 50% discounted rates indicated at (A) above.
- To offer certificates to the programs conducted by **CEMS**.

CENTRE OF EXCELLENCE IN MARITIME & SHIPBUILDING (CEMS)

CIN: U74999MH2017NPL300514 GST NO 37AAHCC2313E1Z4
(A Section 8 not for profit Company Promoted by Govt. of India/ Ministry of Shipping, Sagarmala)
Opp. HSL Complex, Gandhigram, Visakhapatnam, Andhra Pradesh-530005
E-mail: info@cemsindia.org, website: www.cemsindia.org

COMMITMENT OF THE SECOND PARTY, SITAM

- A. To permit the students of internship to extend their services to the first party as and when required without any obligations what so ever.
- B. To permit the technical staff / faculty of the first party to SITAM to take the training in theory from the qualified faculty.
- C. To give priority in admissions for the technical staff of the first party to upgrade their qualification subjected to the eligibility and admission criteria.
- D. To take all the initiatives to send only disciplined candidates for taking practical training from the first party.
- E. The number of technical staff will be permitted to take training in SITAM depending on mutual convenience of the two PARTIES.
- F. Will take initiation to popularize facilities of CEMS for students of other than SITAM and to motivate for undergoing internships to make them eligible for employment.
- G. To offer expertise of qualified faculty to the first party in the areas of common interest.
- H. To offer certificates to the programs conducted by SITAM.

It is important for both PARTIES to this agreement to be reasonable in every aspect of activity undertaken by both PARTIES to achieve common goals. Rates specified will be reviewed every year from January onwards.

It is also important for both PARTIES to respect each other without any conflict and without any legal complications. In the case of unforeseen and unexpected problems arising in any one of the two PARTIES or both PARTIES, it is important to address and settle them by mutual discussion only.

In the event of noncompliance by any one of the PARTIES or both the PARTIES to the agreement, it may be terminated in writing with one month notice from either side amicably without any conflict.

The purpose of the MoU is strictly limited to the expression of the PARTIES to the mutual understanding and cooperation and is not intended to impose any legal obligations of any nature on either party.

TESLA ELECTRO MECHATRONICS SYSTEMS
HYDERABAD

This Memorandum of Understanding is entered into on 09th Jan 2019 between Department of Mechanical Engineering, SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter termed as SITAM-GVP) situated at VIZIANAGARAM, Andhra Pradesh-535 002 and TESLA ELECTRO MECHATRONICS SYSTEMS HYDERABAD

1. PREAMBLE

SITAM-GVP was established in the year 2011 to promote sprit of technology in and around Vizianagaram to serve the cause of technical education. The College is located in a sprawling campus of about 21 acres with a total built up area 33,000 m². The college is situated in a beautiful green valley far from madding crowd. With consistent and excellent academic performance of students and faculty contributions, the College has endeared itself to all its stakeholders.

SITAM-GVP is surging ahead with learning and training as the prime development initiatives in the domain of Mechanical Engineering.

TESLA EMS is dedicated to motion systems used in demanding operating conditions. Its solutions thrive on adversity. Resistance to extreme temperatures, shocks, vibrations, and other harsh conditions are their defining criteria. TESLA EMS challenge to improve flexibility, robustness and power consumption of Motor Drives in various systems.

2. OBJECTIVE

Date : _____

The Core objective is to establish a long term linkage between TESLA EMS and SITAM-GVP to reduce the gap between company expectations (practice) and academic offerings (theory) by direct involvement of company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. TESLA EMS offers services in engineering, motion technology and production.

Engineering services of TESLA EMS offers wide range of product development, industrial design, electronic technology design and development, software development, standard testing and laboratory.

Motion technology includes BLDC motors which are 3-phase brushless DC motors, particularly suitable for applications with high rupture and service life. In addition to the high-performance standard version, the series can also be equipped with customer-specific adaptations (electrical and mechanical). By installing an encoder, these motors can be used as servo drive in conjunction with 4Q servo controllers.

TESLA EMS Production can provide with enormous productivity advantages with assembly work, Development of complete assemblies, fast and flexible prototyping
Integration of printed circuit boards, Cable assembly.

TeslaEMS possesses a modern and outstandingly well-equipped drive technology laboratory with the latest test benches as well as various items of equipment for conducting tests and analyses of all kinds in the field of mechatronics. This laboratory can be used to support in the development phase and to optimise the system solution. Application-specific life cycle measurements and tests Checking under temperature and climate conditions, Rotation speed and torque measurements for the acquisition of engine characteristics etc.

SCOPE

Date : _____

(a) The Key benefits from TESLA EMS to SITAM-GVP are:

- Participating in curriculum design, development and update of the Engineering programs
- Providing opportunities for student groups to undertake problem-solving projects
- Assisting Institution in establishing new laboratories
- Training students, faculty and technical staff in new technologies and processes
- Collaborating in joint educational and extension programmes
- Delivering expert lectures
- Focused expert lectures

(b) The key areas in which SITAM-GVP can benefit TESLA EMS:

- The existing expertise available with SITAM-GVP can be utilized by the Industry for technology assessment, up-gradation and absorption.
- SITAM-GVP will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by TESLA EMS.
- SITAM-GVP will undertake a few modules of projects of the TESLA EMS. for implementation.
- SITAM-GVP will train the professionals from TESLA EMS. in domain areas of Mechanical Engineering.
- SITAM-GVP will provide a large talent pool of students for recruitment
- SITAM-GVP will encourage the internships for students and in-depth research to faculty on area with little benefit to TESLA EMS Professionals, which are chargeable.

2. GENERAL

- This MOU shall be in force upon signature by both Parties and remains in force, unless terminated earlier by either Party upon ninety (90) days, written notice to the other Party.
- The termination of this MOU shall not affect the validity or duration of projects under this MOU that are initiated prior to such termination.

2. MONITORING AND IMPLEMENTATION

Coordination Committee consisting of The Head of the Department, one senior faculty member from Department of Mechanical Engineering, SITAM-GVP and an officer nominated by the TESLA EMS will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and in furtherance of the activities covered under the MoU.

3. SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

AND

NCC Limited
Corporate Office : Survey No. 64, Inorbit Mall Road, Madhapur,
Hyderabad -500081, Telangana.

This Memorandum of Understanding (MoU) is entered into on 20th October 2020 between Departments of Civil, Mechanical and Electrical & Electronics Engineering, SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter termed as SITAM) situated at Vizianagaram, AP and NCC Limited (hereinafter termed as NCC), Hyderabad, with its registered office at Hyderabad, Telangana.

1. PREAMBLE

SITAM was established in the year 2011 to promote spirit of technology in and around Vizianagaram. Civil, Mechanical and Electrical & Electronics Engineering departments are charged with responsibility of training and scientific manpower in various frontline areas of importance for the nation and are also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial and applied research. With consistent and excellent academic performance of students and faculty contributions, SITAM has endeared itself to all its stakeholders. Competent faculty and excellent infrastructure are the hallmarks of the Civil, Mechanical and Electrical & Electronics Engineering Departments. The Departments are surging ahead with learning and training as the prime development initiatives in the domains of Civil, Mechanical and Electrical & Electronics Engineering.

NCC Ltd has dedicated itself to building infrastructure of uncompromising standards. Infrastructure that is a constant reminder of the Company's holistic construction expertise, which in turn is the result of relentless innovation and sheer dedication. Today, NCC Ltd plays a visible role on the national infrastructure stage, leaving its signature mark of quality in several key growth areas.

NCC Limited have been accredited with ISO 9001:2015, 14001:2015 and 45001:2018 certification for all fields of Civil Engineering works including Design, Development & Construction of Industrial Structures, Residential & Industrial Buildings and Execution of Infrastructure Projects for Highways and Airports.

The Company has a well diversified business portfolio with a foothold in every segment of the construction sector with the following Business Verticals:

Buildings & Housings / Roads / Electrical / Water & Environment / Irrigation / Railways / Power / Metals / Mining.

2. OBJECTIVE

The Core objective is to establish a long term linkage between **NCC & SITAM** to reduce the gap between Company expectations (practice) and academic offerings (theory) by direct involvement of Company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. **SITAM** stands to gain by way of updated curricula, consultancy and R&D, training to students / teachers, internships, guest lectures, certification courses, societal relevance and most importantly acquisition of brand name /equity. **NCC** stands to gain by way of availability of employable manpower pool, access to design resources, outsourcing routine tasks, domain specific training as needed and consultancy from the SITAM as and when needed. Faculty stand to gain by way of exposure to latest company practices for more effective teaching—learning processes, students stand to gain through hands—on training, reduction of learning curve in industrial practices; and society stands to gain by way of improved quality of goods and services.

3. SCOPE

SITAM has requested NCC in respect of the following for which NCC has agreed:

- Participating in curriculum design, development and update of the Civil, Mechanical, and Electrical & Electronics Engineering programs

NCC Limited

(Formerly Nagarjuna Construction Company Limited)

CIN: L72200TG1990PLC011146

NCC House, Madhapur, Hyderabad 500 081 T +91 40 2326 8888 F +91 40 2312 5555 ncclimited.com

- Providing opportunities for student groups to undertake model study on projects (Subject to clearing eligibility test criteria).
- Participating in bodies such as the Board of Governors, Academic Council, Boards of Studies, Industry – Institute - interaction Cell and College Research Mentoring Cell
- Training students, faculty and technical Staff in new technologies and processes
- Collaborating in joint educational and extension programs
- Improving employability by inducing training related to specialized areas of construction industry such as QS & Planning, Designs (acquaintance on latest know-how), QA / QC in the last semesters of the curriculum as per mutual convenience.
- Internships, entrepreneurial training and training as per latest trends of industry required for placement opportunities.

It is specifically agreed and confirmed by SITAM that NCC shall have complete liberty and discretion in the matters relating to providing internships or training to the Students of SITAM.

4. INTELLECTUAL PROPERTY

Nothing contained in this MoU shall, by express grant, implication, or otherwise create in either party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) or the other Party.

5. MONITORING AND IMPLEMENTATION

Coordination Committee consisting of The Heads of the Departments, one senior faculty member of Department of Civil, Mechanical, and Electrical & Electronics Engineering at SITAM and an officer nominated by the NCC will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and in furtherance of the activities covered under the MoU.

6. INTER SE RELATION OF PARTIES

It is expressly agreed by the parties that they are acting under this MoU as independent entities and the relationship established under this MoU shall not be construed as Partnership. Neither party is authorized to use the other Party's name in any way, to make any representation or create any obligation or liability, expressed or implied, on behalf of the other party. Neither party shall have nor represent as having any authority under the terms of this MoU to make any commitment, promise or agreement of any kind in the name of or binding upon the other Party.

7. GENERAL

This MOU shall be valid for the period of 2 years and may be extended in writing by Parties. This MOU may be terminated before the said term of 2 years by giving written notice of 30 days to the Other Party.

8. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the MOU.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MEIL was formed to serve a variety of sectors such as

- ✓ Fabrication unit,
- ✓ Power,
- ✓ Irrigation and drinking water sectors,
- ✓ Hydrocarbons,
- ✓ Transportation,
- ✓ General Infrastructure, and
- ✓ Other Works (Spiral Mill, Manufacturing units, HDPE pipes, Pressure vessel division etc.).

Over the past few years, **MEIL** is involved in Designing and turnkey projects. **MEIL** caters to a wide variety of Civil, Mechanical, and Electrical and Electronics Engineering activities and is emerging as a pioneer all over India.

2. OBJECTIVE

This Memorandum of Understanding is entered into on 6th January 2021 between SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter termed as SITAM) situated at VIZIANAGARAM, Andhra Pradesh-535 002 and **Conduira Education and Training Services Pvt.Ltd.**, (hereinafter termed as CONDUIRA), Visakhapatnam with its registered office at Madhapur, Hyderabad, Telangana.

1. PREAMBLE

SITAM was established in the year 2011 to promote spirit of technology in and around Vizianagaram. Civil, CSE, AI&DS, ECE, Mechanical, and Electrical and Electronics Engineering departments are charged with responsibility of training and scientific manpower in various frontline areas of importance for the nation and are also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial and applied research. With consistent and excellent academic performance of students and faculty contributions, SITAM has endeared itself to all its stakeholders. Competent faculty and excellent infrastructure are the hallmarks of the Civil, CSE, AI&DS, ECE, Mechanical, and Electrical and Electronics Engineering Departments. The Departments are surging ahead with learning and training as the prime development initiatives in the domains of Civil, CSE, AI&DS, ECE, Mechanical, and Electrical and Electronics Engineering.

Conduira Online is a completely owned subsidiary of Conduira Education and Training Services Pvt Ltd, a leader in offline test preparation, training and thousands of students every year in the areas of Job Training, Study Abroad (Graduate Record Examination (GRE) and Under-graduate Scholastic Aptitude Test (SAT)), MBA in India besides others.

We help students succeed

- In aptitude tests for both career progression and higher education.
- By leveraging technology.
- By providing personalized, analytics-driven, engaging and effective learning solutions

Our Unique Learning Methodology

To help student identify his/her Knowledge Gaps through continuous evaluation and address them through

- Interactive learning exercises
- Analytics driven feedback
- Peer-interaction based social learning

2. OBJECTIVE

The Core objective is to establish a long-term linkage between CONDUIRA and SITAM to enhance skills in various placement activities. SITAM stands to gain by way of receiving most efficient career counselling and placement assistance. CONDUIRA stands to gain by way of increased visibility in the two districts of Vizianagaram and Srikakulam and also Conduira can derive from the teaching expertise available in SITAM.

SCOPE

- Training students for job readiness
- Building the confidence levels of students
- Making the students aware of interview etiquettes
- Improving employability by inducing training related to specialized areas

3. GENERAL

This MOU shall be in force upon signature by both Parties and remains in force, unless terminated earlier by either Party upon ninety (90) days, written notice to the other Party.

4. MONITORING AND IMPLEMENTATION

Coordination Committee consisting of The Heads of the Departments, one senior faculty member of Department of Civil, Mechanical, and Electrical and Electronics Engineering at SITAM and an officer nominated by the CONDUIRA will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and in furtherance of the activities covered under the MoU.

Specific service agreements need to be signed and agreed upon to achieve specific training needs as required by SITAM.

5. SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version of the Agreement.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

professional excellence in Science & Technology by undertaking industrial & applied research. With consistent and excellent academic performance of students and faculty contributions, the College has endeared itself to all its stakeholders. Competent faculty and excellent infrastructure are the hallmarks of the Civil Engineering Department. The Department is surging ahead with learning and training as the prime development initiatives in the domain of Civil Engineering.

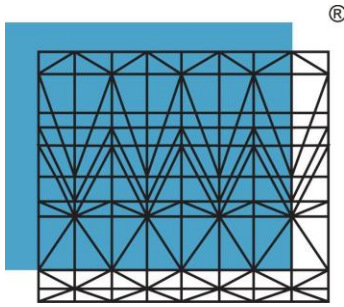

VIJAYNIRMAN was formed to serve a variety of sectors such as

- ✓ Roads, Bridges, & Metros
- ✓ Urban Infra,
- ✓ Industrial Infra,
- ✓ Ports & Terminals,
- ✓ Foundation Works,
- ✓ Other Works (Fire Protection services, Electrical works, Ramp Toll Plazas etc...).

Over the past few years, **VIJAYNIRMAN** is involved in Designing and turnkey projects. **VIJAYNIRMAN** caters to a wide variety of Civil Engineering activities and is emerging as a pioneer all over India.

2. OBJECTIVE

The Core objective is to establish a long term linkage between **VIJAYNIRMAN** and **SITAM** to reduce the gap between Company expectations (practice) and academic offerings (theory) by direct involvement of Company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic

This Memorandum of Understanding is entered into on 4th March 2016 between Department of Mechanical Engineering, SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter termed as SITAM-GVP) situated at VIZIANAGARAM, Andhra Pradesh-535 002 and RTG TECHMIND SOLUTIONS PVT LTD, INDIA from RAMTEJ TECHNOLOGIES GROUP (hereinafter termed as TMS)

1. PREAMBLE

SITAM-GVP was established in the year 2011 to promote spirit of technology in and around Vizianagaram to serve the cause of technical education. The College is located in a sprawling campus of about 21 acres with a total built up area 33,000 m². The college is situated in a beautiful green valley far from madding crowd. With consistent and excellent academic performance of students and faculty contributions, the College has endeared itself to all its stakeholders.

SITAM-GVP is surging ahead with learning and training as the prime development initiatives in the domain of Mechanical Engineering.

TMS was founded in 2005 in India is a Strategic and Innovative Business and Technology conglomerate providing Consultancy, Solutions & Services, Material & Manpower Resources as Products in Emerging and Industry proven Business Consultancy, Information Technology and Engineering Software domains. TMS provides products with single window strategy to serve all Business and Technology needs at a single point.

2. OBJECTIVE

The Core objective is to establish a long term linkage between TMS and SITAM-GVP to reduce the gap between company expectations (practice) and academic offerings (theory) by direct involvement of company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. TMS offers Business services, Software services, CAD services.

Business services of TMS offer Solutions and Services for enterprise business environments and management which efficiently track-down all kinds of projects in technology / engineering sectors as well as in other sectors where technology plays a key role in their product value.

Software services of TMS offer Software Solutions and Services in Information Technology arena. They cover a wide spectrum of Software needs of those from an individual customer to large Enterprises, Government Organizations, Non-Government Organizations, and etc.

CAD services of TMS offer Solutions and Services in the Engineering Software arena. They cover most of the needs of Engineering Industries working with CAD / CAM / CAE / PLM, Robotics, etc., and applicable to vertical industries Automotive, Aerospace, Heavy Engineering and Research & Development organizations.

Faculty stand to gain by way of exposure to latest company practices for more effective teaching-learning processes; students stand to gain through hands-on training, reduction of learning curve in industrial practices; and society stands to gain by way of improved quality of goods and services.

2. SCOPE

(a) The Key benefits from TMS to SITAM-GVP are:

- Participating in curriculum design, development and update of the Engineering programs
- Providing opportunities for student groups to undertake problem-solving projects
- Assisting Institution in establishing new laboratories
- Training students, faculty and technical staff in new technologies and processes
- Collaborating in joint educational and extension programmes
- Delivering expert lectures
- Focused expert lectures
- Organizing add-on programs in emerging areas such as Solid works, CATIA, Finite Element Analysis and CFD in Department of Mechanical Engineering providing assistance for improving employability including internships, entrepreneurial training, specialized skill training required for placement opportunities as per mutual convenience.

(b) The key areas in which SITAM-GVP can benefit TMS:

- The existing expertise available with SITAM-GVP can be utilized by the Industry for technology assessment, up-gradation and absorption.

TMS was founded in 2005 in India, with focused on Information Technology and Engineering Software domains. TMS is a Strategic and Innovative Business and Technology conglomerate providing Consultancy, Solutions & Services, Material & Manpower Resources as Products in Emerging and Industry proven Business Consultancy, Information Technology and Engineering Software domains. TMS provides products with single window strategy to serve all Business and Technology needs at a single point.

2. OBJECTIVE

The Core objective is to establish a long term linkage between TMS and SITAM-GVP to reduce the gap between company expectations (practice) and academic offerings (theory) by direct involvement of company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. TMS offers Business services, Software services, CAD services.

Business services of TMS offer Solutions and Services for enterprise business environments and management, which efficiently track-down all kinds of projects in technology / engineering sectors as well as in other sectors where technology plays a key role in their product value.

Software services of TMS offer Software Solutions and Services in Information Technology arena. They cover a wide spectrum of Software needs of those from an individual customer to large Enterprises, Government Organizations, Non-Government Organizations, and etc. Areas are unlimited but technology and cover all demands in the timeline transition from Desktop Applications, Internet Applications and Mobile Applications and to Rich Internet Applications.

CAD services offer of TMS Solutions and Services in the Engineering Software arena. They cover most of the needs of Engineering Industries working with CAD / CAM / CAE / PLM, Robotics, etc.

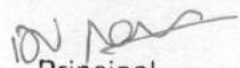

Faculty stand to gain by way of exposure to latest company practices for more effective teaching-learning processes; students stand to gain through hands-on training, reduction of learning curve in industrial practices; and society stands to gain by way of improved quality of goods and services.

2. SCOPE

(a) The Key benefits from TMS to SITAM-GVP are:

- Participating in curriculum design, development and update of the Engineering programs
- Providing opportunities for student groups to undertake problem-solving projects
- Assisting Institution in establishing new laboratories
- Training students, faculty and technical staff in new technologies and processes
- Collaborating in joint educational and extension programmes
- Participating in joint R&D activities
- Delivering expert lectures
- Focused expert lectures
- Organizing add-on programs in emerging areas such as Internet Of Things, Artificial Intelligence, Cloud Computing and Data Warehousing providing assistance for improving employability including Internships, entrepreneurial training, specialised skill training required for placement opportunities as per mutual convenience.

2. OBJECTIVE

Date : _____

The Core objective is to establish a long term linkage between TESLA EMS and SITAM-GVP to reduce the gap between company expectations (practice) and academic offerings (theory) by direct involvement of company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. TESLA EMS offers services in engineering, motion technology and production.

Engineering services of TESLA EMS offers wide range of product development, industrial design, electronic technology design and development, software development, standard testing and laboratory.

Motion technology includes BLDC motors which are 3-phase brushless DC motors, particularly suitable for applications with high rupture and service life. In addition to the high-performance standard version, the series can also be equipped with customer-specific adaptations (electrical and mechanical). By installing an encoder, these motors can be used as servo drive in conjunction with 4Q servo controllers.

TESLA EMS Production can provide with enormous productivity advantages with assembly work, Development of complete assemblies, fast and flexible prototyping
Integration of printed circuit boards, Cable assembly.

TeslaEMS possesses a modern and outstandingly well-equipped drive technology laboratory with the latest test benches as well as various items of equipment for conducting tests and analyses of all kinds in the field of mechatronics. This laboratory can be used to support in the development phase and to optimise the system solution. Application-specific life cycle measurement tests and tests Checking under temperature and climate conditions, Rotation speed and torque measurements for the acquisition of engine characteristics etc.

SCOPE

Date : _____

(a) The Key benefits from TESLA EMS to SITAM-GVP are:

- Participating in curriculum design, development and update of the Engineering programs
- Providing opportunities for student groups to undertake problem-solving projects
- Assisting Institution in establishing new laboratories
- Training students, faculty and technical staff in new technologies and processes
- Collaborating in joint educational and extension programmes
- Delivering expert lectures
- Focused expert lectures

(b) The key areas in which SITAM-GVP can benefit TESLA EMS:

- The existing expertise available with SITAM-GVP can be utilized by the Industry for technology assessment, up-gradation and absorption.
- SITAM-GVP will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by TESLA EMS.
- SITAM-GVP will undertake a few modules of projects of the TESLA EMS. for implementation.
- SITAM-GVP will train the professionals from TESLA EMS. in domain areas of Mechanical Engineering.
- SITAM-GVP will provide a large talent pool of students for recruitment
- SITAM-GVP will encourage the internships for students and in-depth research to faculty on area with little benefit to TESLA EMS Professionals, which are chargeable.

MEMORANDUM OF UNDERSTANDING

BY AND BETWEEN

UNWIND LEARNING LABS & SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

1. Scope

This Memorandum of Understanding ("MOU") is entered into by and between UNWIND LEARNING LABS private limited, 2nd floor, Enclave, B2, Harsha Paradise, Tadepalli, Amaravathi, AP-522501, and SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT, Gajulalarega, Vizianagaram, Andhra Pradesh 535002

WHEREAS, this MOU is agreed between Unwind Learning Labs Private Limited and Satya Institute of Technology and Management, for setting up of Training centre for various social welfare programs, Skill development programs under Central, State government schemes, Programs and other private Skill Training programs and undertake consultancy assignments

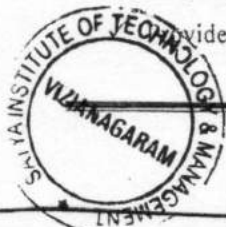

2. Statement of work

Satya Institute of Technology and Management agrees to the following;

- ✓ Earmark and allocate classrooms and labs and equipments and Trainers as per the standards and requirements of the specific program time- time as provided by Unwind Learning Labs
- ✓ Provide Trainers as per the norms specified by Govt of India /approved agency
- ✓ Provide full fledged consulting assignment in the given field of work/ consulting assignment as assigned by Unwind learning Labs private limited time to time

Unwind Learning Labs agrees to the following

- ✓ Establish Training Centre for various programs as per the standards of the program and inform the institution well ahead of the program

- ✓ Initiate Consultancy Operational Model for the Institution through Industry Application Development and Solutions Consulting
- ✓ Change Management- Towards Tiered Training Plan & Technology Leadership

3. Term of the MOU

The term of this MOU shall commence on 23-Feb-2018 or the date on which both parties sign the contract, whichever date is later, and end on 22-Feb-2021 or until the MOU is terminated pursuant to the terms contained herein, whichever event occurs first.

4. Compensation

- A Lease amount /Rental amount will be paid by Unwind Learning Labs towards the usage of infrastructure as per the annexure clause 1
- Compensation will be paid by Unwind learning labs towards consulting assignment to the Institution/faculties involved in the project as per the standards

5. Infrastructure

Satya Institute of Technology and Management will provide the infrastructures of class rooms, auditoriums, Work Stations and computers and other equipments as and when required for the Process.

6. Rights in data, patents and copyright

Unwind Learning Labs reserves all rights and authority for the contents, presentations, materials, preparatory materials, Functional Spec, Technical Spec, IPR Rights for ideas supported and provided for Training, Application development, training documents shared/provided during the programme. Any documents mentioned should not be shared/used/copied/modified for other purposes/ with other parties/ other departments without the written consent from Unwind Learning labs authorities.

The terms and clauses of Confidentiality, Non-Competition, and Non-Solicitation to be carried out in spirit and letter and in all ethical and business ways is made between Unwind Learning Labs and Satya Institute of Technology and Management along with its subsidiaries, parents, joint ventures, affiliated entities, and includes its successors and assigns or any such related entities of uplifting the terms and in particular of.

7. Amendments or Modification

No amendment or modification of this MOU shall be effective against either party unless such amendment or modification is set forth in writing and signed by both parties.

VEDANTA institute is a non-profit public charitable trust registered in Andhra Pradesh. It was established under the guidance of Sri Swami Parthasarathy. It is founded for the purpose of harmonizing the physical, emotional, intellectual and spiritual aspects of human beings, without any distinction of colour, race or religion. The trust particularly focuses on the young minds, motivating them to work for an ideal, beyond selfish interests. Above all, VEDANTA strives to lead one to the ultimate goal of Self-Realization. The trust organizes annual public discourses on Vedanta in order to spread the knowledge of life and living for the upliftment of the society. These discourses are conducted by Swami Parthasarathy, Sushilaji (a senior disciple of A. Parthasarathy). The discourses are attended by large audiences from a cross section of society.

2. OBJECTIVE

The Core objective is to establish a long term linkage between VEDANTA and SITAM-GVP for personality development and mental peace combined with dynamic action in the world. The ancient philosophy Of sanathana dharma improves the eternal principles of life and living. Development of overall personality of human beings to gain peace and prosperity in their lives. By practicing continuously yoga and meditation one can achieve their goals with out fear and tensions.

Faculty stand to gain the tension free atmosphere more effective teaching-learning processes; students stand to gain through hands-on training, and society stands to gain by way of improved quality of services.

Sub: Invitation for Principals' Conclave at CEMS, Visakhapatnam

Dear Sir,

1. We are happy to inform you that Centre of Excellence in Maritime and Shipbuilding (CEMS), a state of art skill development facility to provide high end skills training in Digital Smart Manufacturing has been set up at Visakhapatnam by Sagarmala, Ministry of Shipping with M/s Siemens as the Technology partner. CEMS is equipped with advanced labs which offer courses in various job specific domains and caters for following: -

- a) Training for Industrial 4.0/ Digital 4.0 level.
- b) Courses are offered in all relevant Mechanical, Electrical, Electronics, Instrumentation and Robotics domains.
- c) Internship courses.

3. The courses are designed, imparted and will be certified by Siemens. The training programme is designed to provide maximum practical time for the participants to have hands on skills experience. The training faculty is from Industry and academic background and the participants' knowledge will be thoroughly enriched through interaction. CEMS is an asset to the engineering and diploma students for learning job relevant skills at highly subsidised rates.

4. To showcase CEMS facility, a Principals' Conclave is scheduled on 02 Feb 19 at 1100 hrs at CEMS, IMU campus, Gandhigram, Visakhapatnam which will be attended by Principals and Heads of departments of all engineering colleges located in Visakhapatnam, Vizianagaram, Srikakulam, East and West Godavari districts.

5. We cordially invite you and your Heads of Departments for the above meeting. The meeting will be in the morning session only followed by lunch at CEMS.

6. We request you to confirm your presence for the meeting by email (info@cemsindia.org) or by telephone (6281775945/8886759042)

Best Regards,

Yours faithfully,

Engineers Hub

Where Quality Matters...

- Engineers Hub shall provide the best study material (approximately 30 books) to all the students who enroll for the program.
- Engineers Hub shall conduct online test series, sectional tests, subject wise tests periodically
- Engineers Hub shall charge Rs. 15,000/- per student plus GST @ 18% per student for GATE-2020 and GATE-2021.
- The current second year students will enjoy one year additional coaching for the fee paid by them.
- SITAM students shall pay
 - 50% immediately on commencement of the program.
 - 40% after completion of 2 months.
 - 10% balance after completion of 4 months.
- SITAM management shall provide bus facility to their students from Vizianagaram to Visakhapatnam and enroute on every Sundays for effective attendance of classes.
- Engineers Hub shall take all the steps required to academically strengthen the students from technical point of view.

We request you to provide us an opportunity to work for an esteemed institution like yours and also make us a part in your success journey in shaping the technocrats of SITAM.

We are confident that our well qualified and experienced team shall deliver the best and make your students to come out with flying colors.

Kindly to thorough the proposal, any changes and suggestions are welcome.

Awaiting for your positive response.

Thanking You,

Sincerely yours,

Devendra Singh Negi,

Managing Director.

Proposal for conducting GATE-2020 & 2021 classes for SITAM students – regarding.

At the outset, we thank you very much for kind cooperation and hospitality extended to us whenever we called on you at your campus.

Engineers Hub, a premier coaching center for GATE/ESE/PSU/APPSE and other competitive examinations is run by Alumni of IITs and NITs. We are having excellent well qualified and industry experienced faculty team who can teach the subjects of GATE with clear cut concepts & prepare the students for various national level higher education examinations and other PSU entrance examinations.

All the faculty of Engineers Hub are alumni of IITs & IISc with very good GATE ranks. In GATE 2018 Engineers Hub, Vizag has secured ranks AIR176, 235, 436, 476, 674, 869, 947, 1223, 1641, 1868, 2508, 2730, 3002, 3061, 3794, 4335, 4374, 4626, 5013, 5111, 5427, 6039, 6895, 7257, 7682, Etc., and many more.

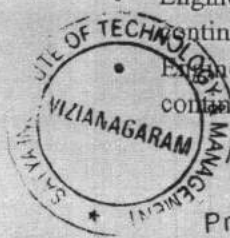

All the above students are from Visakhapatnam and surrounding colleges. The above ranks are secured from Mechanical Engineering stream.

Engineers Hub proposes to act as a knowledge partner to GVP-SITAM and offer coaching to second and Third year B.Tech students of Mechanical, Civil, ECE, EEE & CSC branches.

We hereby, submit our proposal for your kind perusal and consideration,

The Proposal

- Engineers Hub shall be conducting GATE 2020 and GATE 2021 coaching classes for the third and second year students of the aforesaid branches respectively at Engineers Hub office, Dabagardens, Visakhapatnam.
- The current 3rd year students shall under go GATE-2020 coaching classes.
- The current 2nd year students shall under go GATE-2021 coaching classes.
- The coaching classes shall be conducted at Engineers Hub premises, Dabagardens, Visakhapatnam on every Sunday of the week from 8.30A.M. to 5.30P.M.
- Engineers Hub shall follow the academic calender of SITAM college and schedule the classes.
- Engineers Hub shall commence coaching classes from 12th August 2018 onwards and shall continue till 30th November 2019 for GATE-2020.
- Engineers Hub shall commence coaching classes from 12th August 2018 onwards and shall continue till 30th November 2020 for GATE-2021.

This Memorandum of Understanding is entered into on 4th march 2016 between Department of Electrical and Electronics Engineering, SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter termed as SITAM-GVP) situated at VIZIANAGARAM, Andhra Pradesh-535 002 and RAMTEJ TECHNOLOGIES CORPORATION, JAPAN (hereinafter termed as RAMTEJ).

1. PREAMBLE

SITAM-GVP was established in the year 2011 to promote spirit of technology in and around Vizianagaram to serve the cause of technical education. The College is located in a sprawling campus of about 21 acres with a total built up area 33,000 m². The college is situated in a beautiful green valley far from madding crowd. With consistent and excellent academic performance of students and faculty contributions, the College has endeared itself to all its stakeholders. SITAM is moving ahead with learning and training as the prime development initiatives in the domain Engineering.

RAMTEJ was founded in 2004 in India, with focused on Information Technology and Engineering Software domains. RAMTEJ is a Strategic and Innovative Business and Technology conglomerate providing Consultancy, Solutions & Services, Material & Manpower Resources as Products in Emerging and Industry proven Business Consultancy, Information Technology and Engineering Software domains. RAMTEJ Provides products with single window strategy to serve all Business and Technology needs at a single point.

2. OBJECTIVE

The Core objective is to establish a long term linkage between RAMTEJ and SITAM-GVP to reduce the gap between company expectations (practice) and academic offerings (theory) by direct involvement of company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. RAMTEJ offers Business services, Software services, CAD services.

Business services of RAMTEJ offer Solutions and Services for enterprise business environments and management, which efficiently track-down all kinds of projects in technology / engineering sectors as well as in other sectors where technology plays a key role in their product value.

Software services of RAMTEJ offer Software Solutions and Services in Information Technology arena. They cover a wide spectrum of Software needs of those from an individual customer to large Enterprises, Government Organizations, Non-Government Organizations etc

CAD services offer of RAMTEJ Solutions and Services in the Engineering Software arena. They cover most of the needs of Engineering Industries working with CAD / CAM / CAE / PLM, Robotics, etc.

Faculty stand to gain by way of exposure to latest company practices for more effective teaching-learning processes; students stand to gain through hands-on training, reduction of learning curve in industrial practices; and society stands to gain by way of improved quality of goods and services.

2. SCOPE

(a) The Key benefits from RAMTEJ to SITAM-GVP are:

- Participating in curriculum design, development and update of the Engineering programs
- Providing opportunities for student groups to undertake problem-solving projects
- Assisting Institution in establishing new laboratories
- Training students, faculty and technical staff in new technologies and processes
- Collaborating in joint educational and extension programmes
- Participating in joint R&D activities
- Delivering expert lectures
- Focused expert lectures
- Implementing projects like Design of Batteries for Solar Cycle and Solar Signal Indicator at cross roads
- Organizing add-on programs in emerging areas such as Home Automation using Internet of Things, Design of Cables for domestic purpose and Design of

- Focused expert lectures
- Innovative Projects Implementation with students
- Organizing add-on programs In emerging areas such as Embedded Systems, Home Automation Systems, VLSI and Tele Communication etc. In Department of Electronics and Communication Engineering providing assistance for improving employability including Internships, entrepreneurial training, specialized skill training required for placement opportunities as per mutual convenience.

(b) The key areas in which SITAM-GVP can benefit RAMTEJ:

- The existing expertise available with SITAM-GVP can be utilized by the Industry for technology assessment, up-gradation and absorption.
- SITAM-GVP will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by RAMTEJ.
- SITAM-GVP will undertake a few modules of projects of the RAMTEJ for implementation.
- SITAM-GVP will train the professionals from RAMTEJ in domain area of Department of Electronics and Communication Engineering.
- SITAM-GVP will provide a large talent pool of students for recruitment

CAD services offer of RAMTEJ Solutions and Services in the Engineering Software arena. They cover most of the needs of Engineering Industries working with CAD / CAM / CAE / PLM, Robotics, etc.

Faculty stand to gain by way of exposure to latest company practices for more effective teaching-learning processes; students stand to gain through hands-on training, reduction of learning curve in industrial practices; and society stands to gain by way of improved quality of goods and services.

2. SCOPE

(a) The Key benefits from RAMTEJ to SITAM-GVP are:

- Participating in curriculum design, development and update of the Engineering programs
- Providing opportunities for student groups to undertake problem-solving projects
- Assisting Institution in establishing new laboratories
- Training students, faculty and technical staff in new technologies and processes
- Collaborating in joint educational and extension programmes
- Participating in joint R&D activities
- Delivering expert lectures
- Focused expert lectures
- Organizing add-on programs in emerging areas such as Internet Of Things, Artificial Intelligence, Cloud Computing and Data Warehousing in the Department of Computer Science Engineering providing assistance for improving employability including Internships, entrepreneurial training,

MEMORANDUM OF UNDERSTANDING

BY AND BETWEEN

UNWIND LEARNING LABS & SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

1. Scope

This Memorandum of Understanding ("MOU") is entered into by and between UNWIND LEARNING LABS private limited, 2nd floor, Enclave, B2, Harsha Paradise, Tadepalli, Amaravathi, AP-522501, and SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT, Gajulalarega, Vizianagaram, Andhra Pradesh 535002

WHEREAS, this MOU is agreed between Unwind Learning Labs Private Limited and Satya Institute of Technology and Management, for setting up of Training centre for various social welfare programs, Skill development programs under Central, State government schemes, Programs and other private Skill Training programs and undertake consultancy assignments

2. Statement of work

Satya Institute of Technology and Management agrees to the following;

- ✓ Earmark and allocate classrooms and labs and equipments and Trainers as per the standards and requirements of the specific program time- time as provided by Unwind Learning Labs
- ✓ Provide Trainers as per the norms specified by Govt of India /approved agency
- ✓ Provide full fledged consulting assignment in the given field of work/ consulting assignment as assigned by Unwind learning Labs private limited time to time

Unwind Learning Labs agrees to the following

- ✓ Establish Training Centre for various programs as per the standards of the program and inform the institution well ahead of the program
- ✓ Provide the curriculum, content, books, materials and other training aids for the program

TMS was founded in 2005 in India, with focused on Information Technology and Engineering Software domains. TMS is a Strategic and Innovative Business and Technology conglomerate providing Consultancy, Solutions & Services, Material & Manpower Resources as Products in Emerging and Industry proven Business Consultancy, Information Technology and Engineering Software domains. TMS provides products with single window strategy to serve all Business and Technology needs at a single point.

2. OBJECTIVE

The Core objective is to establish a long term linkage between TMS and SITAM-GVP to reduce the gap between company expectations (practice) and academic offerings (theory) by direct involvement of company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. TMS offers Business services, Software services, CAD services.

Business services of TMS offer Solutions and Services for enterprise business environments and management, which efficiently track-down all kinds of projects in technology / engineering sectors as well as in other sectors where technology plays a key role in their product value.

Software services of TMS offer Software Solutions and Services in Information Technology arena. They cover a wide spectrum of Software needs of those from an individual customer to large Enterprises, Government Organizations, Non-Government Organizations, and etc. Areas are unlimited but technology and cover all demands in the timeline transition from Desktop Applications, Internet Applications and Mobile Applications and to Rich Internet Applications.

1. Preamble

Satya Institute of Technology and Management (SITAM), Vizianagaram at its various engineering and sciences departments is charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking Industrial & applied research.

ILITE India Pvt.Ltd is engaged in manufacturing of LED Street lights, design and development and consultancy in the field of LED Lights and related fields.

WHEREAS, both SITAM and ILITE, now

Intend to form a nucleus for promoting excellent quality manpower in the fields of engineering, technology with special emphasis on Automation in industry. Now, therefore, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both SITAM and ILITE India Pvt.Ltd hereby acknowledge, SITAM and ILITE India Pvt.Ltd Y hereby agree to sign a memorandum of understanding (MOU).

2. Scope

This memorandum of understanding (MOU) is entered into & buy between ILITE India Pvt.Ltd, Plot No 27, Karakavalasa, Ramavaram Village, Gyantada Mandal, Vizianagaram, Andhra Pradesh, Pin Code:535002 and SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT, Gajula Rega, Vizianagaram, Andhra Pradesh, Pin Code:535002.

WHEREAS, both SITAM and ILITE, now

- Recognizing the importance of research and development in the areas Low power LED's and automation in industry, as well as imparting industrial training to the engineering/technology students, etc.
- Desiring to club their efforts by pooling their expertise and resources.

3. Terms Of Interactions

Both SITAM and ILITE India Pvt.Ltd shall encourage interactions between the Engineers, faculty members and students of both the organizations through the following arrangements:

- a) Practical training of SITAM students at ILITE India Pvt.Ltd
- b) Joint guidance of student projects/thesis in the areas LED Driver circuits, PCB designing, Layout designing, embedded systems training and other areas of interest at SITAM by ILITE India Pvt Ltd on mutually agreeable terms.
- c) ILITE Managing Director, will mentor students of SITAM to develop enterprenuring skills and capabilities
- d) ILITE India Pvt.Ltd would accommodate B.Tech. Students who have completed the 6th semester of their programme in such a number that ILITE India Pvt.Ltd deems convenient to it for the purpose of imparting industrial training.
- e) ILITE India Pvt.Ltd may depute its personnel as visiting faculty at SITAM to teach any of the regular Course or specialized topics.
- f) ILITE India Pvt.Ltd may seek assistance/guidance of SITAM faculty member/s in product/process modification, modernization, trouble shooting, etc.
- g) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- h) ILITE India Pvt.Ltd may showcase its business activities at the seminar/workshop/conference, etc. at SITAM.
- i) ILITE India Pvt.Ltd may avail library, Internet, computational facilities at SITAM.
- j) SITAM and ILITE India Pvt.Ltd shall permit the sharing software and other materials and components developed in-house in the areas of cooperation, if permissible within the rules governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head of academic department/section.
- k) Both ILITE and SITAM will conduct Camps in near by villages to develop awareness about power saving methods.

MEMORANDUM OF UNDERSTANDING

Between

SATYA INSITUTE OF TECHNOLOGY AND MANAGEMENT
(Approved by AICTE, New Delhi; Affiliated to JNTUK KAKINADA)
Gajularega, Vizianagaram, Andhra Pradesh, PINCODE: 535002

AND

SREEBHADRA PROJECTS LLP
(Structural & Precast Engineers)
Madhurawada, Visakhapatnam-530048

This Memorandum of Understanding is entered into on 3rd December, 2018 between Department of Civil Engineering, SATYA INSITUTE OF TECHNOLOGY AND MANAGEMENT (hereinafter termed as SITAM-GVP) situated at VIZIANAGARAM, Andhra Pradesh-535 002 and SREEBHADRA PROJECTS LLP (hereinafter termed as SREEBHADRA), Madhurawada, Visakhapatnam - 530 048 with its registered office at Visakhapatnam, Andhra Pradesh.

1. PREAMBLE

SITAM-GVP was established in the year 2008 to promote sprit of technology in and around Vizianagarm. Civil Engineering department is charged with responsibility of training and scientific manpower in various frontline areas of importance for the nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial & applied research. With consistent and excellent academic performance of students and faculty contributions, the College has endeared itself to all its stakeholders. Competent faculty and excellent infrastructure are the hallmarks of

SREEBHADRA PROJECTS LLP

Structural & Precast Engineers

the Civil Department. The Department is surging ahead with learning and training as the prime development initiatives in the domain of Civil Engineering.

SREEBHADRA was formed to serve civil constructions sector. Over the past few years, SREEBHADRA is involved in Designing and construction field. SREEBHADRA caters to a wide variety of Civil Engineering activities and is emerging as a pioneer in the Visakhapatnam and Vizianagaram districts.

2. OBJECTIVE

The Core objective is to establish a long term linkage between SREEBHADRA and SITAM-GVP to reduce the gap between Company expectations (practice) and academic offerings (theory) by direct involvement of Company to attain a symbiosis thereby, Company, Institution, Faculty, Students and Society stand to gain with a synergistic partnership. SITAM-GVP stands to gain by way of updated curricula, consultancy and R & D, training to students/teachers, internships, guest lectures, certification courses, societal relevance, and most importantly acquisition of brand name/equity. SREEBHADRA stands to gain by way of availability of employable manpower pool access to design resources, outsourcing routine tasks, domain specific training as needed and consultancy from the SITAM_GVP as and when needed. Faculty stand to gain by way of exposure to latest company practices for more effective teaching-learning processes; students stand to gain through hands-on training, reduction of learning curve in industrial practices; and society stands to gain by way of improved quality of goods and services.

3. SCOPE

(a) The Key benefits from SREEBHADRA to SITAM-GVP are:
