Three-day Training "Programme on PERSONALITY DEVELOPMENT"

NAME OF THE TRAINER: DR. P.VENKATA RAO, Dean Training & Placement, GVPCOE

DATES OF THE EVENT: 24.10.22 to 26.10.2022

VENUE: SEMINAR HALL (ROOM NO F-202)

TARGET AUDIENCE: TEACHING AND NON-TEACHING FACULTY

REPORT:

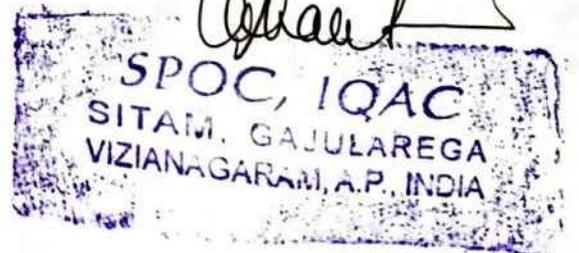

A THREE-DAY TRAINING PROGRAMME was conducted especially for Teaching and Non-Teaching Faculty on PERSONALITY DEVELOPMENT. It is ever changing and subject to contextual factors and life altering experiences. Personality development is also dimensional in description and subjective in nature. The five-factor model of personality maps in to the dimensions of the child hood temperament this suggests that individual differences in levels of the corresponding personality traits are present from young ages.

THIS helps to improve your self-esteem and like yourself more because you become the person you want to become.

You also learn to respect, accept and love who you already are.

You believe in yourself and know that you can achieve growth and your goals.
