Your branch of study?

 Copy

31 responses

Are you married now

 Copy

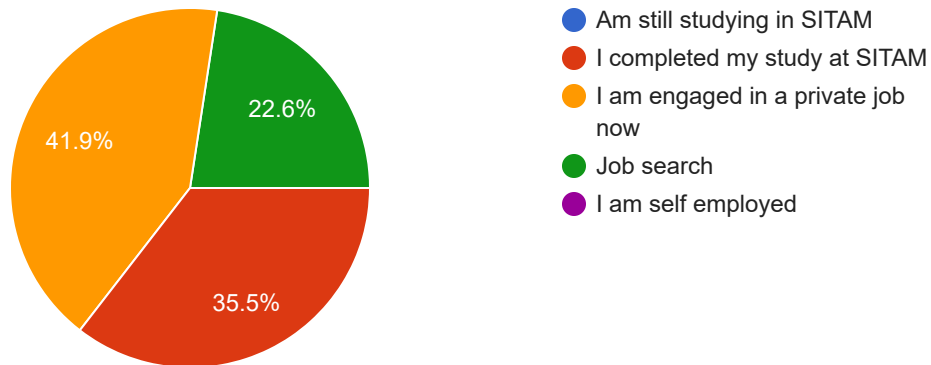

30 responses

What are your activities right now?

 Copy

31 responses

What type of job are you planning to take up after present study ?

 Copy

31 responses

Do you think the knowledge acquired through the course-work helped you?

 Copy

31 responses

Where do you see your self after few years of graduation ?

 Copy

30 responses

Were you taught the techniques of analyzing a general engineering problem?

 Copy

29 responses

Did you learn the concepts of designing systems under real-life constraints?

 Copy

29 responses

Can you propose a feasible solution to an engineering problem by making suitable assumptions?

 Copy

26 responses

- I can do with some help.
- Yes, I can understand the problem.
- Yes, I am confident about it.

Can you use modern tools and technologies relevant to your engineering domain? Such as AutoCAD for drawing, MATLAB for computation etc.

 Copy

29 responses

- I am totally unaware of these tools
- Yes, I know quite a few of them
- Yes, I can do with some learning.
- Yes, I am aware of the tools.

Do you think the courses at SITAM prepare you to shoulder societal responsibilities?

 Copy

29 responses

- Not really.
- I got some input regarding that
- Yes, they gave me lot of input

Can you propose eco-friendly solutions to engineering problems?

 Copy

29 responses

Can you find and follow ethical code of conduct in your professional transactions?

 Copy

29 responses

Did you ever have problems working in a group?

 Copy

29 responses

Are you comfortable in a challenging situation?

 Copy

29 responses

- I find it difficult to deal.
- I can manage with some stress.
- Yes, very comfortable.

Do you want to upgrade your knowledge about emerging technologies?

 Copy

28 responses

- I will try for some time.
- Yes, I will spend considerable amount of time
- I will let others figure it out and inform me

Can you draft a professional document in English?

 Copy

29 responses

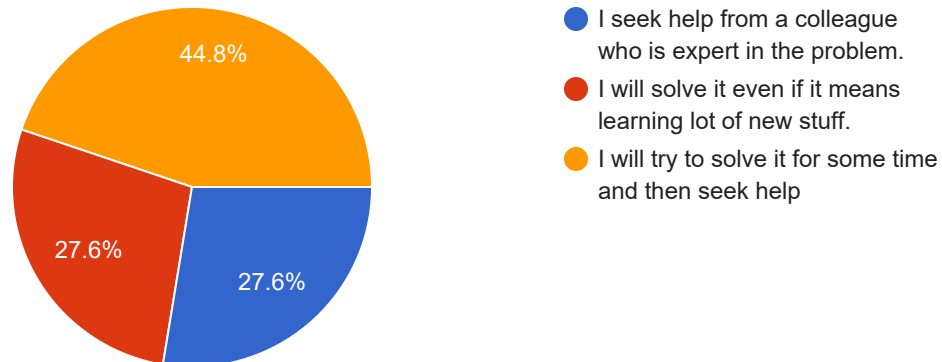

- I seek help of others in doing that.
- Yes, I can certainly do that
- I can draft in my language but need translator to put it into English
- Yes, I can certainly do that.

When you come across a problem about which you have no prior experience, what will you do?

SITAM

SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Gajularega, Vizianagaram, Andhra Pradesh, India-535002.

Accredited by "NAAC"

Approved by AICTE and Affiliated to JNTU, Gurajada, Vizianagaram

Email: sitam@sitam.co.in, Website: www.sitam.co.in

Telephone No: 9676788811, 8978812341/2, Land Line: 08922-234775

Criteria :1 STUDENT FEEDBACK AY 2022-23

1. How much of the syllabus was covered in the class?

2. How well did the teachers prepare for the classes?

3. Fairness of the internal evaluation process by the teachers.

4. Was your performance in assignments discussed with you?

5. The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.

6. Is counseling process in the Institute is effective.

7. The institution provides multiple opportunities to self-learning learn and grow.

8. Teachers inform you about your expected competencies, course outcomes and programme outcomes

9. The teachers identify your strengths and encourage you with providing right level of challenges.

10. The Institute/ teachers use student centric methods, such as experiential learning, participative Learning and problem solving methodologies for enhancing learning.

11. Use of innovative ideas/methods/tools in teaching-learning process

12. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

13. Are there library resources and information are sufficient to meet the requirements.

14. Wifi connection availability/Internet facility available in the Institute/Department

15. Availability of adequate quantity of equipment for carrying out lab experiment.

16. How effective is awareness of NCC and NSS activities in the Institute.

17. Is Institute initiates cultural and sport activities.

18. Is Institute facilitate incentives for academic/ non-academic performance like University rank, college topper, sport achievement etc.

19. IT and Infrastructure of the Institute is good for student's overall development

20. How well can you communicate and discuss your problems with teachers.

21. Give three observations/suggestions to improve the overall teaching-learning experience in your institution. (Some Notable Suggestions)

It could be more effective if we are taught about the something beyond academics regarding coding it will help in our placement selections
Very excellent teaching in college
1) Conduct mock interviews 2) Conduct Problem solving skills (coding sessions) 3) Awareness about internships and projects
Study hour is good idea. It is really helpng us a lot.
All Faculties are good but teaching skills needs to be improved and needs more interaction with students
I'm satisfied with the overall teaching - learning experience in ours institution
Teaching is very good
Teaching is excellent
Library should be opened till 8PM.

<ol style="list-style-type: none"> 1. Teachers are maintaining friendly relation with students. 2. Institute should encourage the students to do the certification courses. 3. Institute should actively encourage students in sport activities, cultural activities. 4. Encourage students to think innovatively.
Everything good
Provide projectors in classes
<ol style="list-style-type: none"> 1. PPT classes are better than oral classes 2. Don't focus on the completion of syllabus, better to focus on students to learn atleast 3 units completely
Improve self confidence in students
<p>I think the teaching of the faculty is very good.</p> <p>They are teaching us very well.</p> <p>They are always trying their best towards us.</p>
Teaching has to be improved
Improve digital classes on class room it will help to understand the subjects easily
<ol style="list-style-type: none"> 1. Better to Implement digital classes for every subject 2. Teaching extra skill based programming language
<p>Improve the digital teaching for certain subjects</p> <p>Improve certain activities which are useful for internship and other</p>
Discuss with students to learn more
Friendly teaching relationship with students
Want digital classes
Give notes to students
CRT classes should be start for 3rd year I think this is best for students.
Some faculty members teaches with the real life examples and practically
Need more cultural, sports and seminars
<p>Overall it's a good institute</p> <p>Staff are very co-friendly and well teaching</p>
We need more experimental explanation in workshops
<p>Improve lab equipments</p> <p>Improve sports activities</p> <p>Improve workshops</p>
Improve lab equipment
<ol style="list-style-type: none"> 1. We need practical examples 2. Give a class works, and exams and assignments questions
<p>Reduce written work</p> <p>Interact with students friendly nature</p> <p>Guide the students, how to overcome future difficulties</p>

Go practical rather than teaching. We want real time projects to improve our skills and want skill development programs along with theory
Teachers have to give some tips and suggestions to improve our skills and knowledge .
Students Washrooms are not good.
1.Use better graphics and visual media to engage students well. ... 2.Try to reach every student and ask for their doubts. ... 3.Make teaching a two way interaction
1)Implementing Interactive Learning Platforms 2)Facilitating Regular Feedback Mechanisms 3)Emphasizing Real-World Application
<p>The process of teaching and learning is heading towards more digital learning, hope some concepts may covered using presentations.</p> <p>More effective way of learning would be conducting quizzes every week on the topics covered in that week.</p> <p>Tracking the progress - from the start of the semester to the end the student can be provided with a progress sheet, which covers what topics has been completed in present and past weeks in the classroom and also upcoming...which helps the students to plan the learning process more effectively.</p>
1) syllabus should be all completed before mid 2..! 2)the university management needs to provide a proper gap of minimum 15days like other big universities between mid 2 and semester for proper revision and preparation.! 3)the teacher's should be more prepared and scheduled for completion of the syllabus on time..!
I will request the my faculty 1)Please try discuss to innovate ideas and business skills not regarding to companies and organisations 2) These ideas are also coinside with the student methodology and thoughts 3) Try to better teaching to provide the business ideas without organisation
1. Monitor each student when taking the class whether he/she is interested in class or not 2.if he/she not interested in class then query that why they are not supposed to listen or interested in the class. 3.lastly make interaction with students to teach them even more effectively .
1. Manner of teaching is so wonderful and refreshing. 2. Patient and supportive 3.great at building confidence and keeping lessons fun and engaging through a variety of activities that improve conversation, writing, and reading skills.
Please give some more examples regarding the topics Teachers should check whether students are learning or understanding the topic.
Conduct Seminar in Class.

Your department

 Copy

17 responses

Did you prepare course file before the beginning of the course teaching?

 Copy

17 responses

How much time did you spend in this semester to study about concepts of Outcome Based Education ?

 Copy

17 responses

Are you reasonably thorough with the concepts of OBE?

 Copy

17 responses

Did you compute the attainment values of all the course outcomes for these courses by preparing the FCAR document?

 Copy

17 responses

Did you explain the course outcomes to the students before the actual teaching?

 Copy

17 responses

Did you complete the syllabus to your satisfaction?

 Copy

17 responses

Did you get an "anonymous" feedback from students about your teaching effectiveness?

 Copy

17 responses

Did you check whether the students have the prerequisite knowledge to follow the course?

 Copy

17 responses

How many preparatory classes did you spend to acquaint the students with the prerequisites?

 Copy

17 responses

Did you give any formative tests to the students?

 Copy

17 responses

In the context of NAAC and NBA, what is a program?

 Copy

17 responses

How do you rate the sequence of the units in the syllabus?

 Copy

17 responses

How many classes did you teach using audio visual tools in the previous semester?

 Copy

17 responses

How do you rate relevance of the courses in relation to the program?

 Copy

17 responses

Check all that apply from the following to describe your teaching style

 Copy

17 responses

What do you think is a course outcome? Check all that apply
