Recruitment and selection:

- Recruitment and selection is always by AICTE/JNTUK rules.
- Recruitment and selection sometimes are by need based prescribed by work load from each department.
- Staff selection committee will be constituted.
- For teaching post, the Candidate should present a demo lecture and then an interview by selection committee followed by Principal in face-face interview.
- For a non-teaching post, the selection is by practical test conducted by HOD in respective department Labs and finally by principal in one-one interview.
- Eligibility Criteria, Qualification and salary as per norms of AICTE.

Grievance Redressal Mechanism:

There are separate Grievance Redressal Committees for students and staff. If teachers and students are not satisfied, they can appeal to the Governing Body or ultimately to the Grievance Redressal Committee of the Institution. The College has set up a suggestion box for faculties, staff and students. The grievance redressal committee discusses the complaints and takes decision accordingly. The mechanism for dealing with complaints is as follows,

The Principal receives complaints orally or in writing. Received Complaints are discussed in the committee meeting and resolved to take action on the concerned issues. A separate Anti-Sexual Harassment Committee is formed to prevent persecution and investigate girls' student complaints. An Anti-Ragging Committee has also been set up to resolve the cases of demolition. In addition to these, online forms as shown below are formed to provide easy, anonymous Grievance/Complaint receiving mechanisms.
